

Practitioner's Docket No. **050508-1360**

**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE**

Patent Number: **7,652,033**

Issued: **January 26, 2010**

Name of Patentee: **Van Meir, et al.**

Title of Invention: **HIF-1 Inhibitors**

**Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450**

**Attention: Decision and Certificate of Correction  
Branch of the Patent Issue Division**

**REQUEST FOR CERTIFICATE OF CORRECTION OF PATENT  
FOR PTO MISTAKE (37 C.F.R. § 1.322(a))**

1. Attached, in duplicate, is PTO/SB/44 (also Form PTO-1050), with at least one copy being suitable for printing.
2. The exact page and paragraph number where the errors are shown correctly in the application file are:

**Page 1, paragraph (73).**

**Assignees: Emory University, Atlanta, GA (US)  
The Scripps Research Institute, La Jolla, CA (US)**

3. Attached are the filed Assignments and Notice of Recordations to the above-referenced entities.

The application was filed on September 22, 2005.

Inventors Erwin G. Van Meir and Chalet Tan assigned their rights to Emory University on May 17, 2006 and May 16, 2006, respectively (see attached). Applicant received the Notice of Recordation on June 16, 2006.

Inventors Kyriacos C. Nicolaou and Anthony Roecker assigned their rights to The Scripps Research Institute on May 18, 2006 and May 26, 2006, respectively (see attached). Applicant received the Notice of Recordation on June 5, 2006.

The Issue Fee in this matter was paid on December 7, 2009. Upon review of the file, it was noted that the second Assignee, The Scripps Research Institute, was inadvertently omitted from the Issue Fee Transmittal sheet. On December 21, 2009, Applicant filed a Notice Regarding Issue Fee Transmittal, correcting the Issue Fee Transmittal to include both assignees to be printed in the Letters Patent.

Despite the recorded assignments to The Scripps Research institute and the filed Notice Regarding Issue Fee Transmittal, U.S. Pat. No. 7,652,033 was issued on January 26, 2010 with only Emory University identified as an assignee. Applicant respectfully requests the USPTO add The Scripps Research Institute as an assignee.

4. Please send the Certificate to:
